17575: Huffy Disney Frozen 12V Battery Ride-On Car

Title:

Huffy Disney Frozen 12V Battery Ride-On Car for Kids, Single Rider Electric Vehicle with Lights & Sounds, Forward & Reverse Drive, Parent Remote Control, Ages 3–7

Description:

Let kids create their own magical journeys with the Huffy Disney Frozen 12V Battery Ride-On Car. Designed for children ages 3 to 7, this electric ride-on features enchanting Frozen styling, fun lights, and playful sounds that bring their favorite characters to life.

The smooth 12V electric drive delivers a steady, comfortable ride that's easy for kids to control, while simple pedal operation helps build confidence behind the wheel. Parents can step in with the included remote control for added guidance and peace of mind, especially during early rides. Forward and reverse driving offers more mobility, intuitive learning, and extra fun.

With durable construction and charming Frozen details, this ride-on turns everyday playtime into an unforgettable Frozen adventure.

Features:

- FROZEN-INSPIRED RIDE-ON MAGIC: Beautiful Frozen styling with shimmering details brings Elsa and Anna's world to life, turning every ride into an imaginative adventure kids will love.
- 12V ELECTRIC POWER FOR KIDS: Smooth electric drive delivers steady, kid-friendly performance, letting young drivers cruise comfortably while parents enjoy controlled, age-appropriate speed.
- LIGHTS, SOUNDS & REALISTIC PLAY: Working front lights and fun sound effects create an immersive driving experience that encourages imagination and keeps kids engaged ride after ride.
- EASY CONTROLS WITH REMOTE ASSIST: Simple foot pedal operation and forward/reverse drive make driving intuitive, while the included remote control allows parents to guide or assist when needed.
- BUILT FOR KIDS AGES 3–7: Durable construction supports riders up to 65 lbs., providing dependable strength and long-lasting fun for driveway cruising, backyard adventures, and everyday play.
