LOT/EXP:

**Directions for Use:** For best results flush affected eyes gently with Vetericyn Plus® Eye Wash each time before using Ophthalmic Gel. Apply Vetericyn Plus Ophthalmic Gel to eyes 2-3 times per day until condition is no longer visible. No rinsing necessary. Safe for use on all animal species. Use with damaged corneas should be under veterinary supervision.

**Use Precautions:** For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation worsens or animal shows increased discomfort and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

**Ingredients:** Active: Hypochlorous Acid (0.010%) Inactive: Electrolyzed Water, Sodium Chloride, Lithium Magnesium Sodium Silicate, Sodium Bicarbonate, Phosphates, Sodium Hypochlorite, Sodium Sulfate

Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus® formula contains Hypochlorous Acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms in the Vetericyn Plus® Hydrogel formula.

- + Non-toxic, safe if licked or ingested
