

OUTDOOR PATIO HEATER FULL LENGTH VINYL COVER

Item #02129

(Mfg. Item: HF2176-2M BLK)

Durable, weather resistant, fully lined vinyl cover with zipper pull and rigid support rod for zipper panel.
Fits any outdoor LPG patio heater with up to 35" reflector hood and with a table up to 23" diameter.
(Dimensions 36" diam. X 94" H)

ASSEMBLY: Screw metal rods together to create one long piece. Insert into the right sleeve located parallel to the zipper. Ensure that bottom portion of the rod is inserted into the short pocket to keep it in place.

WARNING: Unit must be completely cool before fitting cover.
