

Apple-A-Day™ No Sugar Daily Electrolyte

Apple-A-Day™ is a daily, cost-effective electrolyte that contains no fillers, no sugars, and no artificial colors. Apple-A-Day™ promotes healthy water consumption and replenishes electrolyte salts lost in daily activities, such as sweating, urination, and defecation.

Benefits Include:

- ✓ Supports healthy hydration for the horse
- ✓ Balanced for electrolyte loss in daily activity
- ✓ Safe for easy keepers, borderline overweight, and/or insulin-resistant horses
- ✓ Does not contain fillers, so you can feed less compared to similar products
