

Magnesium plays an important part in the support of normal muscle and nervous systems. Horses deficient in this important mineral may have a poor tolerance to work and show signs of nervousness, wariness, excitability and muscle tremors.

Animed's Epsom Salt is an excellent source of dietary magnesium for horses of all classes when a supplemental source of magnesium is needed.

FEEDING DIRECTION:

Horses 1100lbs and up total body weight 2 to 3 scoops per day.
Horses 900lb to 1099lbs total body weight 1 to 2 scoops per day.
Horses 500lbs to 899lbs total body weight 1 scoop per day.

Horses less than 499lbs total body weight 1/2 scoop per day.
The amount and frequency may be varied as necessary. The enclosed scoop measures approximately 1/3 ounce or 1/3 Tbsp and supplies approximately 1050mg of magnesium per level measure.

Magnesium can be lost in sweat. For animals who sweat a lot, the quantity could be increased 1 1/2 to 2 times the recommended feeding amount.

GUARANTEED ANALYSIS: Nutritional Data:
Crude Protein (min) >1%, Crude Fat (min) >1%, Crude Fiber (max) >1%, Magnesium (min) 44,450mg/lb

Ingredients: Magnesium Sulfate

CAUTION: Feeding 4 or more times the recommended amount may create a laxative effect.

WARNING: For animal use only. Keep out of the reach of children. Store tightly capped in a cool, dry and odor free area.
