

Item #: 39572

Camco's 5-Inch Clear RV Sewer Hose Extender allows you to extend your RV sewer hose outlet by 5-inches. This provides an easier, more convenient hose connection. The transparent design lets you see when your system is fully rinsed. This hose extender is non-restrictive for free water flow and fast dumping. During hookup, the extender's bayonet ends attach easily to your RV's sewer connection. This hose extender measures 4 7/8-inches x 3 13/16-inches x 3 13/16-inches and is made of durable polycarbonate. Made in the USA.
