Apply it, Dry it, and Go Hunt!

Hunt Dry® Technology Plus +™ – formulated for even better performance after it dries, so you don't have to hunt with wet clothing. Effectively turns your hunting clothes into a High-Powered scent elimination suit.

- Works both wet and dry.
- Scientifically formulated to last longer.
- Specialized blend of advanced odor fighting ingredients, attacks a wide range of odors - most importantly, Human Odor!
- 99% effective at stopping replicated human odor in testing at Rutgers University – 20 days after drying!
- High-Output Sprayer - will even spray upside down

Directions: Spray Scent Killer® Gold® liberally onto your hunting outerwear. Works both on contact and for days after drying. Spray boot bottoms before walking. Best if used same season as opened. Test for colorfastness.

You can pre-treat your hunting outerwear by liberally spraying it down. Fully dry outerwear before storing. Clothing may be treated many weeks before use in the field, when stored in an air-tight bag or container. (Be sure clothing is dry before storing.)
