

HIGH PERFORMANCE FUEL ADDITIVE

DIESEL EXTREME

POWERED BY SCIENCE

CONCENTRATED FUEL INJECTOR CLEANER & CETANE BOOSTER

DIESEL EXTREME is a fully formulated concentrated cleaner that removes all internal diesel injector deposits (IDID's) including waxy and polymeric deposits. In addition, DIESEL EXTREME contains a top tier level of cetane booster, lubricity additive and fuel stabilizer to provide maximum performance while cleaning the fuel system.

(To maintain the system cleanliness and performance, use EDT additive daily on the fuel side and STICTION ELIMINATOR on the oil side of your engine.)

TREATMENT PLAN

Use 8 OZ of DIESEL EXTREME per 20 gallons of diesel fuel. Add during fuel up and run every 6,000 miles for best results.
