

## **BUNGEE**

## INSTALLATION INSTRUCTIONS

⚠ WARNING: Read warnings carefully before using this product. Failure to follow these warnings may result in personal injury and/or property damage.

- 1. Start with straight bungee with no tangles or knots.
- 2. Protect your eyes and body with suitable protection.
- 3. Only use for small or lighter loads.
- 4. Attach one hook to a stable point and stretch the bungee no more than 50% of original relaxed length to another secured stable point for a second hook attachment.
- 5. Be aware of any surface protection needed where the hooks attach to the stable point.
- 6. After use inspect for any signs of cuts or wear. If bungee is cut, abraded or shows any signs of wear, discard.
