⚠ WARNING: Cancer and Reproductive Harm
www.P65Warnings.ca.gov

Operating, servicing, and maintaining a passenger vehicle can expose you to chemicals such as lead, phthalates, engine exhaust, and carbon monoxide that are known to the State of California cause cancer and birth defects or other reproductive harm. To minimize exposure, service your vehicle and its accessories in a well-vented area and wear gloves or wash your hands frequently.

DEE ZEE, INC. WARRANTY AGREEMENT

Dee Zee, Inc. guarantees the original purchaser a limited lifetime warranty against manufacturer defects in materials, workmanship, and design under normal use, excluding damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, improper repairs, spills, vandalism, product neglect, or acts of God.

This warranty applies only to the original purchaser of new product(s) and is limited to the replacement of genuine Dee Zee products. Modification of any kind to Dee Zee products voids all warranty coverage. Warranty does not include electrical components, installation, cost of removal, labor, transportation costs, loss of use, inconvenience, or consequential damages.

WARRANTY COVERAGE - MATERIALS & WORKMANSHIP

LIMITED LIFETIME WARRANTY:

- STAINLESS STEEL: Side Steps, Grill Guards, Bull Bars, Bed Caps, and Side Rails
- ALUMINUM: Side Steps, Running Boards, Storage Boxes, Transfer Tanks, Bed Protection, Side Rails, Invis-A-Racks, and Cab Racks
- PLASTIC: Storage Boxes
- OTHER: Front and Rear Bumpers

THREE-YEAR WARRANTY:

- POWDER-COATED / E-COATED STEEL: Side Steps, Running Boards, Storage Boxes, Transfer Tanks, Cab Racks, Sport Bar Ladder Racks, Cargo Carriers, Mounting Brackets (NX, Rough Step, and Bumper Guards only)
- OTHER: Tailgate Assist, Bed Mats, Floor Mats, Auxiliary Fuel Connection Kits, and All Products Not Otherwise Listed Individually

WARRANTY COVERAGE – FINISH PROTECTION

The finish of all Dee Zee products is covered for one-year (1) from the date of purchase. Dee Zee products have a high quality finish that must be cared for and maintained like any other exposed finish on the vehicle. Protect the finish with non-abrasive automotive wax (e.g. Pure Carnauba) on a regular basis. Applying soaps, polishes, or waxes that contain an abrasive compound may scratch the finish and leave the exposed material susceptible to corrosion.

WARRANTY COVERAGE – COMPONENT PARTS

Operational items such as shocks, latches, hinges, and wear items including, but not limited to, mud flaps, step pads, toolbox tray, end caps, hardware, seals, etc. have a one-year (1) warranty. Replacement component parts can be ordered via credit card (MasterCard or VISA) by calling 1-800-779-2102. All replacement parts are non-returnable and non-refundable.

GPI® FUEL PUMPS & ACCESSORIES

All Great Plains Industries (GPI) products, including transfer tank pumps and fuel meters are covered by GPI's warranty policies. Dee Zee's warranty terms do not apply to GPI products. To submit a warranty claim, please contact GPI at 1-800-835-0113 or visit www.gpi.net.

WARRANTY SUBMISSION PROCEDURE

All warranty claims will be initiated at the place of purchase. The original purchaser will be required to present the original sales receipt with purchase date shown and provide photographs of the defect.

In the event the originally purchased product style is no longer available, Dee Zee will warranty the defective part with a current equivalent. If a comparable product is no longer available, the product would be returned to the store of purchase for a refund or the applicable cost difference can be paid to choose an alternate style.

DISCLAIMER

All products are sold as appearance accessories and should not be relied upon as protection for the vehicle or its occupants in the event of an accident. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact and collision avoidance systems should not be modified in any way. Always consult the vehicle manufacturer if you have any questions regarding supplemental restraint systems and sensors.

Buyer must accommodate front and rear sensors during product installation and assumes all risk should these be tampered, rerouted, severed, or disconnected. This includes disabling visual, audio, or vibration alerts into the cab. Buyer assumes all risk and responsibility for wiring any supplemental auxiliary lights.

Buyer assumes all risk, liability, and cost for the installation and use of Dee Zee products. Dee Zee, Inc. assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.

Thank you for choosing Dee Zee to add function and accessorize your vehicle. Dee Zee has been a staple brand in the truck accessory market since 1977 and we hold a reputation of quality manufacturing based in America's Heartland. Our products are born through careful engineering and backed by industry leading warranty programs. We appreciate the opportunity to serve you and your vehicle!

Review the instruction pages in their entirety to prepare the required tools

Warning: Test fit all truck bed rail caps to obtain proper placement before installing this product.

Note: Not all bed rail caps will include or require double sided adhesive tape. Please refer to the instructions to determine if adhesive strips are necessary.

Cleaning: To be entitled to all warranty rights offered with the product, Dee Zee bed rail caps need to be cleaned regularly with a mild detergent. Do NOT use abrasive cleaners. For stainless steel products, the application of a high grade automotive wax is recommended.

1a

Note: Test fit the full tailgate protector (A) to the vehicle tailgate to obtain proper placement and fit. Due to the extreme adhesion of the tape, proper placement of the full tailgate protector (A) should be accomplished the first time before the full tailgate protector (A) is installed on the vehicle. Two people are recommended for this installation.

Note: L'essai a adapté le plein protecteur de porte à rabattement arrière à la porte à rabattement arrière de véhicule pour obtenir le placement (a) approprié et l'ajustement. En raison de l'adhérence extrême de la bande, le placement approprié du plein protecteur de porte à rabattement arrière (a) devrait être accompli la première fois avant que le plein protecteur de porte à rabattement arrière (a) soit installé sur le véhicule. Deux personnes sont recommandées pour cette installation.

1b

Clean the vehicle tailgate using the enclosed alcohol pads (B).

Nettoyez la porte à rabattement arrière de véhicule à l'aide des garnitures incluses d'alcool (b).

1c

Peel the backing off of the tape on the full tailgate protector (A) as shown.

Épluchez le dégagement de la bande sur le plein protecteur de porte à rabattement arrière (a) comme montré.

1d

Place the full tailgate protector (A) onto the vehicle tailgate and press firmly into place as shown.

Placez le plein protecteur de porte à rabattement arrière (a) sur la porte à rabattement arrière de véhicule et appuyez fermement dans l'endroit comme montré.

Note: If your full tailgate protector (A) has hardware enclosed, see Step 2 to complete your installation.

Note: Si votre plein protecteur de porte à rabattement arrière (a) a le matériel entouré, voir l'étape 2 pour terminer votre installation.

2a

Push the full tailgate protector (A) firmly into place and then drill four evenly spaced 9/64" holes across the top and bottom of the full tailgate protector (A) as shown.

Poussez le plein protecteur de porte à rabattement arrière (a) fermement dans l'endroit et forez alors quatre également espacés 9/64 " des trous à travers le dessus et le bas du plein protecteur de porte à rabattement arrière (a) comme montré.

**Drill with
a 9/64" Drillbit**

2b

Secure the full tailgate protector (A) to the vehicle tailgate using the #8 x 3/4" panhead sheet metal screws (C) as shown below. Tighten into place using a phillips head screwdriver.

Fixez le plein protecteur de porte à rabattement arrière (a) à la porte à rabattement arrière de véhicule en utilisant le #8 X 3/4 " les vis en métal de feuille de panhead © comme montré ci-dessous. Serrez dans l'endroit à l'aide d'un tournevis principal Phillips.

**Phillips
Screwdriver**

3a

Clean the vehicle tailgate using the enclosed alcohol pads (B).

Nettoyez la porte à rabattement arrière de véhicule à l'aide des garnitures incluses d'alcool (b).

3b

Locate and remove the existing torx head screws located on the vehicle tailgate using a T30 torx head screwdriver as shown.
