PLEASE RETAIN THIS CARTON FOR REFERENCE OF DIRECTIONS FOR USE

DIRECTIONS FOR USE: (Instrucciones en Español Dentro de la Caja)

1. Warm tube in hands if it is very cold to facilitate removal of the ribbon. 2. Remove the thumbtack and place it in a secure position for later use. 3. Hold the red loop and pull down the tube slowly with a twirling motion until the ribbon is fully exposed. 4. Hang the ribbon by placing the thumbtack through the red loop and place anywhere flies are a nuisance.

PLACEMENT OF RIBBON:

Flies are sensitive to light, temperature and humidity. If no insects are caught within 2 or 3 days, move the ribbon to another location (further or closer to a window, etc.)

DISPOSAL OF RIBBON:

To discard, wrap used ribbon securely in newspaper, paper, or plastic bag and dispose of in trash receptacle. To remove adhesive from hands, use soap and water. For questions or comments call 1-800-799-7302.

PRECAUTIONARY STATEMENTS

All pest-control items should be kept out of reach of children and domestic animals.
