

# UPGRADE YOUR ODOR CONTROL

Naturally  
Fresh™  
WALNUT SHELL CAT LITTER

## Multi-Cat

Our all-natural proprietary malodor counteractant helps tackle multi-cat litter box odors in homes with two or more cat kids.

14, 26, 40 lb.

## Quick-Clumping

Produces tight clumps in as little as 15 minutes, making for speedy cleanup. Our odor absorption capacity is at least 3 times greater than the leading clay litter, so you can refill the cat litter boxes less often.

14, 26, 40 lb.

## Ultra Odor

Our Ultra Odor Control formula includes Fresh Shield Probiotic™. This all-natural enzyme blocks odors at the source for dual action odor control and bacteri-a reduction, resulting in 40% better odor control and a new look.

14, 26 lb.

## Pellet

Have a cat kid, puppy, rabbit, gerbil, or ferret? This is the non-clumping pellet litter for your household with up to 7 times more odor control than other leading non-clumping pellet litters.

10, 26 lb.

## Herbal Attraction

Our all-natural litter formula contains a blend of natural herbs ideal for kittens, senior cats, and fussy cat kids with litter box acceptance issues.

14 lb.

## Harmony

Say goodbye to unnatural perfumes and hello to lavender and bamboo essential oils. Designed to improve well-being, Harmony™ clumping cat litter helps reduce restlessness in cat kids and enrich the pet parent-cat kid bond.

14, 26 lb.

Our exclusive eco-friendly cat litter is made from the fibrous material of the walnut shell due to its organic ability to eliminate odor better than clay litter and other natural cat litter brands. Our odor capacity is 3 times greater than the leading clay.
