     **Tell Us Your Story!**

Directions for Use: Clear feathers away from affected area, trim if necessary. Adjust spray nozzle and saturate the affected area, flushing away any foreign debris. If dressing is required, saturate dressing with Vetericyn Plus Antimicrobial Poultry Care at each dressing change. Repeat 3-4 times per day until wound is healed. No rinsing necessary. Faster healing is achieved when wounds are cleaned and maintained moist. Safe for use around the head and sensitive areas.

Use Precautions: For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

Ingredients: Active: Hypochlorous Acid (0.0120%) **Inactive:** Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite

Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus liquid formula contains Hypochlorous Acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms in the solution.
