

Show Lamb

Purina® Honor® Show Feed

Showlamb Grower 15% DX

Honor® Show Feed Showlamb Grower 15% DX is a textured complete feed and designed to be fed at 3% body weight to growing and finishing lambs. This feed may be fed to show lambs of any age or weight. Feed about 1/4 flake of a good quality alfalfa hay per day to maintain healthy rumen function.

Honor® Show Feed Showlamb Grower 15% DX is a high energy feed intended for lambs that need extra energy to develop and maintain body condition.

Honor® Show Feed Showlamb Grower 15% DX is supported by Purina knowledge, experience and research. Get your best animals on Honor® Show Feed Showlamb Grower 15% DX feed today so they can reach their full potential.

FEATURE

BENEFIT

Fully fortified with all essential vitamins and minerals

Helps support excellent muscle growth and body condition

Textured feed containing a mixture of high-quality processed grains, cottonseed hulls and molasses

Helps support improved palatability and nutrient utilization

Formulated to provide a combination of both bypass and rumen degradable protein, using all-natural protein sources

Combination protein sources (from vegetable and approved animal sources) help meet the requirements of both the animal and rumen microbes, and helps support muscle deposition

Diamond V®

- A true, fully fermented yeast culture developed specifically for optimum animal nutrition
- Research proven, Diamond V® has a unique ability to support ration digestibility, palatability and intake by delivering a rich, all-natural nutrient source to the animal's digestive bacteria

Tasco®

Research has shown that Tasco® helps lower body temperature during heat stress, helping keep animals on feed

Zinpro®

- Provides critical highly-available minerals that helps immune response which is critical for healthy traveling show lambs
- Helps maximize growth and muscle development; allows lambs to reach their full potential

PuriFerm™

A uniquely formulated fungal enzyme ingredient containing both *Aspergillus oryzae* and *Aspergillus niger*. Fungal enzymes help in the digestibility of fibrous feedstuffs, thereby helping support growth performance

Ammonium Chloride

Helps aid in reducing the incidence of urinary calculi (water belly)

Medicated with Deccox® (decoquinate)

For the prevention of coccidiosis, helps support normal immune system

Calcium (Ca), max.....	1.20%
Phosphorous (P), min.....	0.30%
Salt (NaCl), min.....	0.20%
Salt (NaCl), max.....	0.70%
Selenium (Se), min.....	0.30 ppm
Vitamin A, min.....	5,000 IU/lb
Vitamin D ₃ , min.....	1,200 IU/lb
Vitamin E, min.....	20 IU/lb
Zinc (Zn), min.....	120 ppm

Medicated:

Medicated for growing and finishing sheep. For the prevention of coccidiosis in young sheep caused by *Eimeria bakuensis* and *Eimeria crandallis*, *Eimeria ovinoidalis* and *Eimeria parva*.

Caution: Use as directed. For sheep only.

Active Drug Ingredient: Decoquinate 15.13 g/ton

Warning: Do not feed to sheep producing milk for food.

Directions:

Honor® Show Feed Showlamb Grower 15% DX is a complete feed and designed to be fed at 3% body weight to grow/finish lambs intended for the show ring. Feed with 1/4 flake of a good quality alfalfa hay to maintain healthy rumen function. This feed may be fed to show lambs of any age or weight. If lambs have not been receiving a high-energy ration, offer a small amount (0.5 to 1 lb.) along with free-choice, high quality hay. Gradually increase this amount until lambs are consuming 0.3 lb of Honor® Show Feed Showlamb Grower 15% DX per 10 lb body weight to provide 22.7 mg Decoquinate per 100 lb body weight daily. Topdress with High Octane® Champion Drive™ Topdress at the rate of 0.5 to 1.0 lb/lamb/day, to provide supplemental protein and vitamins. Always provide plenty of clean, fresh water. Feed at least 28 days during periods of exposure to coccidiosis or when it is likely to be a hazard.

Caution: Store in a dry area away from insects. Do not feed moldy or insect-infested feed. Do not use in feeds containing bentonite.

Reminder:

- Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable.
- DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.
- Fresh, clean water should be available at all times.

High Octane® supplements are specifically designed for livestock show animals. These supplements are part of the Honor® Show lineup of livestock show products.
