Discover Plastic Fencing & Nets

Tenax Pet Fence

DESCRIPTION

After 30 years of success with the Tenax C-Flex line developed to satisfy Tenax customer needs in performance and strength tailored to deer and animal protection in industrial and agriculture applications, Tenax has decided to make the exclusive round tensile strength structure available in DIY-friendly measurements.

Tenax pet fence is the perfect choice for a safe and strong barrier fence to keep your pets in, or out.

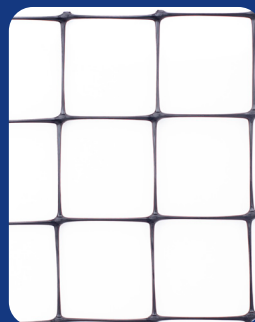

Light but strong, this fence can be used as barrier fencing for dogs, as a temporary enclosure, or as backyard protection.

Our exclusive round mesh makes Tenax Pet Fence virtually invisible once it's installed. Available in multiple sizes and strengths to fit your project, Tenax Pet Fence is a non-toxic and easy-to-install solution that lasts for years.

USES

- Pet fence
- Dog fence
- Temporary enclosure

BENEFITS

- UV Stabilized for long-lasting color and performance
- Lightweight but strong and resistant
- Reusable and recyclable
- Non-toxic and high-quality polymers
- Won't rust, rot, or corrode
- Safe for use around children and pets
