

RADIAL ARM DRILL PRESSES

An extended reach, tilting drill head is ideal for large or odd-shaped work pieces. The table tilts 45° left or right allowing easy machining of holes at almost any angle.

- Durable cast iron head, table & base
- Spindle supported by high quality ball bearings
- Rack and pinion table raiser
- Table tilts 45° right & left and swivels 360° around the column
- 1/2" through table & base slots for easy mounting and clamping of workpiece
- Front mounted safety, paddle on/off switch
- Drill chuck & key
- The head tilts 90° left and 45° right
- The head of the drill press moves 12-1/2" forward or backward

DIMENSIONS:

Item # 9680341 - 32" H x 10" W x 33" D

Item # 9680342 - 65" H x 14" W x 33" D

The head tilts 90° left and 45° right.

The head of the drill press moves 12-1/2" forward or backward
