Emission Warranty Statements

Section A: SORE – Two Years

CALIFORNIA AND FEDERAL EXHAUST AND EVAPORATIVE EMISSIONS CONTROL WARRANTY STATEMENT

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The California Air Resources Board, US Environmental Protection Agency (“US EPA”) and Kohler Co. are pleased to explain the exhaust and evaporative emissions control systems warranty on your 2020-2022 Small Off-Road Engine (“SORE”) and engine powered equipment as applicable. In California and the USA, new equipment that use SORE must be designed, built and equipped to meet California and US EPA stringent anti-smog standards. Kohler Co. must warrant the emission control systems on your SORE and engine powered equipment for the period listed below provided there has been no abuse, neglect or improper maintenance of your SORE or engine powered equipment leading to the failure of the emission control systems.

Your exhaust emission control systems may include parts such as carburetors, fuel-injection systems, the ignition system, and catalytic converters. Also included may be an evaporative emission control system which may include parts such as fuel tanks, fuel lines (for liquid fuel and vapors), fuel caps, valves, carbon canisters, clamps, connectors, and other associated components.

MANUFACTURER’S WARRANTY COVERAGE:

The 1995 and later SORE exhaust and evaporative emission control systems are warranted for two years. If any exhaust or evaporative emission-related part on your SORE or engine powered equipment is defective, the part will be repaired or replaced by Kohler Co.

OWNER’S WARRANTY RESPONSIBILITIES:

As the SORE or engine powered equipment owner, you are responsible for the performance of the required maintenance listed in your owner’s manual. Kohler Co. recommends that you retain all receipts covering maintenance on your SORE or engine powered equipment, but Kohler Co. cannot deny warranty coverage solely for the lack of receipts. As the SORE or engine powered equipment owner, you should however be aware that Kohler Co. may deny you warranty coverage if your SORE or engine powered equipment or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

You are responsible for presenting your SORE or engine powered equipment to a Kohler Co. distribution or service center as soon as a problem exists. The warranty repairs shall be completed in a reasonable amount of time, not to exceed 30 days. If you have a question regarding your warranty coverage, you should contact a Kohler Dealer at 1-800-544-2444 or visit www.KohlerEngines.com.

GENERAL EMISSIONS WARRANTY COVERAGE

Kohler Co. warrants to the ultimate purchaser and each subsequent purchaser that the engine is: Designed, built, and equipped so as to conform with all applicable regulations adopted by the Air Resources Board and US EPA; and free from defects in materials and workmanship that cause the failure of a warranted part to be identical in all material respects to the part as described in the engine manufacturer’s application for certification for the warranty period stated above.

The warranty on emissions-related parts is as follows:

- (1) Any warranted part that is not scheduled for replacement as required maintenance in the owner’s manual supplied, is warranted for the warranty period stated above. If any such part fails during the period of warranty coverage, the part will be repaired or replaced by Kohler Co. at no charge to the owner. Any such part repaired or replaced under the warranty will be warranted for the remaining warranty period.
- (2) Any warranted part that is scheduled only for regular inspection in the owner’s manual supplied, is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.

Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
- (4) Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts by the ultimate purchaser will be grounds for disallowing a warranty claim. The manufacturer will not be liable to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

Kohler Co:n takuuvaihtoedut rajoittuvat nimenomaisesti viollisiksi todetun osan tai sellaisten osien tarvittaviin muutoksiin, korjauksiin tai vaihtoon Kohler Co:n tai sen valtuuttaman huoltoliikkeen suorittaman tarkastuksen jälkeisen harkinnan mukaan.

RAJOITUKSET:

Kaupallisessa käytössä (muussa kuin kotitalouskäytössä) olevien moottoreiden äänenvaimentimilla on yhden (1) vuoden takuu ostopäivästä lukien lukuun ottamatta katalyyttisiä äänenvaimentimia, joiden takuu on voimassa kaksi (2) vuotta.

POIKKEUKSET:

Takuu ei ole voimassa seuraavissa tapauksissa:

- Vaurion syynä on: (i) onnettomuus tai vahinko, (ii) asiaton käyttö tai laiminlyönti, (iii) normaali kuluminen, (iv) ennenaikainen kuluminen riittämättömän huollon vuoksi, (v) vääränlainen varastointi, (vi) vanha tai likaantunut polttoaine polttoainejärjestelmässä, johon kuuluvat rajoituksetta säiliöt, polttoaineputket, kaasuttimet tai polttoaineen ruiskutusjärjestelmän osat.
- Vian syynä on: (i) vääränlaiset korjaukset, jotka on tehnyt joku muu kuin Kohler Co. tai sen valtuuttama huoltoliike, (ii) muiden kuin Kohlerin varaosien käyttö tai (iii) tapahtuma, johon Kohler Co. ei voi vaikuttaa, kuten rajoituksetta varkaus, ilkivalta, tulipalo, salamanisku, maanjäristys, myrskytuuli, raesade, tulivuorenpurkaus, tulva tai pyörremyrsky.
- Viollisten osien korjaukseen tai vaihtoon liittyvät kuljetuskulut.
- Moottorin oheslaitteet kuten polttoainesäiliöt, kytkimet, vaihteistot, voimansiirtolaitteet ja akut, elleivät ne ole Kohler Co:n toimittamia tai asentamia.
- Laitteiden vuokraus takuukorjausten ajaksi.
- Polttoaine, voiteluöljy, ilmansuodattimet, öljynsuodattimet, sytytystulpat tai jäähdytys-/jäänestoaineet.

Joidenkin valtioiden tai maiden lainsäädäntö ei salli piilevän takuun voimassaolon rajoittamista tai satunnais- tai seurannaisvahinkoja koskevan takuun rajoittamista tai poissulkemista, joten yllä mainitut rajoitukset ja poikkeukset eivät ehkä koske tätä ostajaa. Tämä takuu antaa ostajalle tiettyjä laillisia oikeuksia, ja ostajalla voi olla myös muita oikeuksia, jotka vaihtelevat maittain (www.KohlerEngines.com) tai osavaltioittain.
