

## Brooder Lamp Assembly Operations

**INSTRUCTION:** This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not modify the plug in any way.

1. Fix guard in hole from inside

2. Finish all 6 holes
