

Thank you for purchasing a heated pet bed from K&H Manufacturing. When used correctly, your pet bed should provide years of hassle free warmth for your pet and are intended for indoor use. Its unique heating system is designed to become warm, not hot.

WARNING: This is an electrical product. Read all directions and precautions carefully before operating. Failure to properly follow all directions and instructions may lead to electrical shock or fire which could cause serious bodily injury.

USE INSTRUCTIONS

For Household Use Only

Read all instructions carefully. This is an electrical product, pay special care to IMPORTANT SAFEGUARDS.

- 1** Carefully position heating pad between foam pieces and close the opening so your pet cannot remove the heating pad. When in use, check the pad to ensure proper positioning.
- 2** Turn the bed so the cord is exiting the back of the bed, away from the normal path traveled by your pet.
- 3** When cleaning the bedding, unplug and remove the heater so you do not subject it to being immersed in liquids or cleaners.
- 4** *Always remove heater before washing.*
- 5** Follow the above instructions when reassembling your heated pet bed.
- 6** Always give your pet the choice to lie on OR off the heated bed.

Testing your heated pet bed

After operating 1-2 hours, place your hands on your pet's new heated bed for 20-30 seconds, applying pressure. Your pet bed is designed to provide mild radiant warmth.
IT DOES NOT GET HOT!

IMPORTANT SAFEGUARDS
