

The **Monaco** Collection

The **Monaco Collection** transforms any backyard into an elegant outdoor dining area with its superior quality and warm, rustic charm. This collection includes a variety of dining tables, fire pits, and chairs, offered in various shapes and sizes, that cater to your desired seat quantity and outdoor space. Each piece is constructed with durable aluminum frames that are polished with a weather-protective coating repels moisture and UV harm. Open-cast accents swirl across the top of each chair, creating an elegant display of craftsmanship found throughout the entire collection.

Swivel-action rockers are available as an alternate option to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion throughout the meal. Ornate cast-accent sweeps across the top of each chair, adding even more appeal to the collection. Designed to last, the Monaco Collection will provide an elegant, natural setting for many al fresco meals with your loved ones in the comfort of your own backyard.
