

PondShock™

For Crystal Clear & Healthy Water

Powered by Billions of all Natural,
Live Bacteria & Enzymes.

Treats up to 2,500 gallons
for 4 weeks.

Crystal Clear & Healthy Water

Easy to Use

Simply toss the ball and activating gel into the water and PondShock™ immediately goes to work to clean up organic waste to provide crystal clear water. PondShock™ is also designed to jumpstart your biological filters by helping to remove toxic ammonia and nitrite.

Pond Size Calculation: L x W x Avg. Depth x 7.5 = # of Gallons

Example: 10' x 10' x 2' x 7.5 = 1500 Gallons

When to Apply: Apply ball and activating gel directly to the pond every 4 weeks or as needed. Ponds without proper filtration may require more frequent applications. Use when water temperature is above 50° F.

Storage: Do not store below 40° F.

Application Rate: 1 Ball Treats Up to 2,500 Gallons

Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in loss or injury to aquatic life. CrystalClear®, Inc. is not responsible for any loss of aquatic life.
