GENERAL SAFETY RULES

WARNING: Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

CAUTION: Do not allow persons to operate or assemble this drag harrow until they have read this manual and have developed a thorough understanding of how the drag harrow works.

WARNING: The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

SAVE THESE INSTRUCTIONS

WORK AREA

- **Keep work area clean**, free of clutter and well lit. Cluttered and dark work areas can cause accidents.
- **Keep children and bystanders** away while operating the drag harrow. Distractions can cause you to lose control, so visitors should remain at a safe distance from the work area.
- **Be aware of all power lines, electrical circuits**, water pipes and other mechanical hazards in your work area, particularly those hazards below the work surface hidden from the operator's view that may be unintentionally contacted and may cause personal harm or property damage.
- **Be alert of your surroundings.**

PERSONAL SAFETY

- **Stay alert**, watch what you are doing and use common sense when using a drag harrow. Do not use a drag harrow while you are tired or under the influence of drugs, alcohol or medication. A moment of inattention while operating a drag harrow may result in serious personal injury.
- **Dress properly.** Do not wear loose clothing, dangling objects, or jewelry. Keep your hair, clothing and gloves away from moving parts.
- **Use safety apparel and equipment.** Use safety goggles or safety glasses with side shields which comply with current national standards, or when needed, a face shield. Use as dust mask in dusty work conditions. This applies to all persons in the work area. Also use non-skid safety shoes, hardhat, gloves, dust collection systems, and hearing protection when appropriate.

DRAG HARROW USE AND CARE

- **Do not modify the drag harrow in any way.** Unauthorized modification may impair the function and/or safety and could affect the life of the equipment. There are specific applications for which the drag harrow was designed.
- **Always check for damaged or worn out parts before using the drag harrow.** Broken parts will affect the drag harrow operation. Replace or repair damaged or worn parts immediately.
- **Do not exceed the drag harrow load capacity.**
- **Store idle drag harrow.** When the drag harrow is not in use, store it in a secure place out of the reach of children. Inspect it for good working condition prior to storage and before re-use.

ASSEMBLY –

NOTE: THE FULL 4FT X 4FT DRAG HARROW PICTURED MUST BE PURCHASED SEPARATELY.

Step #1:

Attach Drag Section to full 4FT Drag Harrow (#1 sold separate)
Several sections can be added to make drag longer.

See Above Photo

MAINTENANCE

- **Maintain your drag harrow.** It is recommended that the general condition of any drag harrow be examined before it is used. Keep your drag harrow in good repair by adopting a program of conscientious repair and maintenance. If any abnormal vibrations or noise occurs, have the problem corrected before further use. Have necessary repairs made by qualified service personnel.
