

2-CYCLE FULL SYNTHETIC OIL

VP Full Synthetic 2-Cycle Oil delivers superior protection and maximum performance for hard-working small engines in outdoor power equipment. It defends internal engine components against excessive wear, reduces carbon build-up, cleans piston rings, and makes for easier starts and low smoke.

VP formulates it with advanced fuel stabilizers, a metal deactivator, and multiple anti-oxidants that keep fuel fresh for up to 12 months and protect your equipment from the corrosive properties of ethanol, which is found in pump gasoline.

Reduce carbon build up and clean piston rings

Easier starting and lower smoke

Anti-oxidants for 12-month use

JASO FD certified & meets or exceeds all industry standards

Superb CRC test rating of 8.85 makes this lubricant the best in its class

Description

Product No.

2-Cycle Synthetic Oil 2.6 oz	2901
2-Cycle Synthetic Oil Case (2.6 oz X 12)	2909
2-Cycle Synthetic Oil 5.2 oz	2903
2-Cycle Synthetic Oil Case (5.2 oz X 12)	2910
2-Cycle Synthetic Oil 12.8 oz	2905
2-Cycle Synthetic Oil Case (12.8 oz X 12)	2906
2-Cycle Synthetic Oil 16 oz	2907
2-Cycle Synthetic Oil Case (16 oz X 4)	2908
