

- Read, understand, follow and save all instructions before attaching and/or using product. NEVER allow anyone unfamiliar with these instructions to use this product.
- Read, understand, follow and save all instructions provided by the manufacturer of the product(s) that this ramp will be used with.
- Failure to follow these warnings and instructions may result in property damage, serious bodily injury, and/or death.
- Extreme caution should be used when loading or unloading your equipment.
- Do not exceed the rated capacity of the ramp.
- Do not exceed the capacity of your loading surface (i.e. tailgate, bumper). If unknown, consult the manufacturer to find load capacities.
- Do not drive or ride any equipment up or down the loading ramp.
- Straps must be secured tightly to limit any movement of the ramp while loading or unloading. If loading or unloading from a vehicle/trailer, be sure the vehicle is parked with emergency brake engaged and/or wheels are chocked and engine is off. If loading or unloading from a trailer, also make sure the trailer is properly coupled to the tow vehicle.
- Never stand in the path of equipment when loading/unloading with the ramp, and keep bystanders away from the ramps.
- This ramp must be used on a level and stable surface.
- Ramp surfaces may be slippery when wet or dirty.
- Ramps are intended for loading/unloading equipment onto a trailer or pickup truck. Do not use ramp sections as a ladder, bridge, scaffolding, or for any other use.
- Keep body parts completely clear of the hinge pin area at all times.
- Do not attempt to load or unload power equipment with its engine running.
- Do not leave ramps unattended when attached. Someone not knowing the intended use may misuse the ramps or move the ramps which may cause misalignment when returning to load/unload equipment.
- Do not cut, drill, weld or modify ramp sections. Any modifications to the ramp sections may cause them to become unstable. Never use ramp if there are any broken, bent or worn parts.
- Ramp may scratch loading surface (i.e. tailgate, bumper, trailer, ground surface).
- Remove ramp from loading position before moving vehicle or trailer.

Warranty:

LIMITED WARRANTY

Horizon Global products are warranted to the original consumer purchaser to be free from defects in material or workmanship under normal use and service, ordinary wear and tear excepted, for a period of four (4) years from the date of purchase as shown on customer's receipt. This warranty shall not apply to any defects caused by: (I) physical abuse of goods or any component or acts of

vandalism by any person other than Horizon Global, its employees, agents or subcontractors;
(II) alterations, modifications, additions
or repairs made during the applicable warranty period by anyone other than Horizon Global, its
employees, agents or subcontractors;
(III) improper installation or use contrary to Horizon Global's instruction; or (IV) accidents or
damage resulting from fire, water, wind,
hail, lightning, electrical surge or failure, earthquake, theft or similar causes not caused or
contributed to by the negligence of Horizon
Global or its employees, agents or subcontractors.
