

### Description

Banixx Anti-Fungal & Anti-Bacterial Horse Shampoo was formulated to keep your furry friend looking and feeling good. This shampoo is enriched with marine collagen to repair damaged hair and skin. It also helps with such issues as fungus, scratches, rain rot, girth/mane/tail itch, cannon bone crud, skin yeast infections and dermatitis. This non-toxic shampoo can be used daily for spot treatments or as an all-over body cleanser. Safe for both horses and dogs, Banixx Anti-Fungal & Anti-Bacterial Shampoo contains no paraben, sulfate, alcohol or steroids.

### Key Benefits

- Soap-free shampoo safe for both horses and dogs.
- Enriched with marine collagen that rebuilds and strengthens hair.
- Contains no paraben, sulfate, alcohol or steroids.
- Made with no harsh detergents that dry out your furry friend's skin.
- Can be used daily for spot treatments or as an all-over body cleanser.

### Precautions

Keep away from eyes & mucous membranes. Keep away from children.
