

2-Rung Stainless Steel Retractable Truck Step

Buyers Part Number: 5232001

Buyers Products Retractable Truck Step adds additional steps to your vehicle and stores away when not in use.

- Each step has non-slip treads and is ideal for truck and trailers.
- The slide-in horizontal storage avoids interference with toolboxes, reservoirs, and more.
- The structural steel steps are available in stainless steel or black powder-coated steel.
- Steps can be bolted or welded on for installation options.

Specifications
