

NOTICE: California Proposition 65

The below Prop65 statements are printed on all applicable Mr. Heater, Heatstar, HeatstarAG, Flex-Tech, DeWALT, and Enerco products sold in the United States. Enerco Group Inc. is dedicated to the continued quality and safety of all its products.

As seen on all applicable product:

⚠️ WARNING: This product can expose you to chemicals including lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. *Wash your hands after handling this product.* For more information visit www.P65Warnings.ca.gov

As see on all propane fired products:

⚠️ WARNING: Fuels used in liquefied propane gas appliances, and the products of combustion of such fuel, can expose you to chemicals including benzene, which is known to the State of California to cause cancer and cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

As requirements have changed, Enerco Group Inc. is rolling out the change on all new packaging so a slightly different statement may be visible on previously manufactured product.

As seen on various current product:

⚠️ WARNING: This product can expose you to chemicals including lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information visit www.P65Warnings.ca.gov

For more information from the California Environmental Protection Agency of the Office of Environmental Health Hazard Assessment on the full details of the Proposition 65 Warning, please visit <https://www.p65warnings.ca.gov/>.
