

Coop Scentry

It's the humane and environmentally friendly way of ridding your chicken coop area of unwanted pests. Most backyard chicken coops have trouble with animals, snakes, birds and other pests raiding their chicken coop.

The Coop Scentry is a scented stone that keeps unwanted pests from your chicken coop. The Coop Scentry is infused with an all natural organic predator scent which signals all unwanted coop pests to "beware" and "stay away".

Will scare off such pests as:

- ❁ weasels
- ❁ gophers
- ❁ foxes
- ❁ skunks
- ❁ rodents

**Renewable Scent
Available to
"Recharge" your stone.**

Environmentally safe Coop Scentry is safe around humans and will not harm pets or wildlife.
