

FRONT-ATTACH SUPER SPEAR

THE QUICK AND EASY SOLUTION FOR SORTING AND STACKING LARGE ROUND BALES.

- **UNIVERSAL:** Compatible with most quick-attach front-end loaders
- **STRONG & SECURE:** Heavy-duty, heat treated spear easily overcomes even the tightest bales with a lift capacity of up to 2,000 lbs.*
- **DURABLE CONSTRUCTION:** Replaceable spears and heavy-gauge plate steel for years of trouble-free use.

**Implement capacity only, do not exceed the lift capacity of your front-end loader attachment or tractor.*
