## ABOUT MAYNE

---

Founded in 2006, Mayne Inc. began by solely designing and manufacturing mail posts.

Since Mayne's inception, the company has grown significantly. We now design and produce a large line of outdoor décor, perfect for outfitting your home and garden.

We strive for excellence in all that we do. That's why we put our customers first, use high-quality material sourced from the United States and Canada, and back up our products with a 15-year residential warranty.

We're proud to offer quality products that are designed in Canada and made in the USA.

# CUSTOM DESIGNS

---

Great design means great products. At Mayne, design is at the heart of everything we do. Partner with us to create a product that defines the next big trend or let us help you develop your own ideas.

Our in-house design team specializes in creating outdoor décor products. We focus on products that are functional, stylish, and aesthetically pleasing. We do this by taking the time to consider how a product will be used, the environments it will be exposed to, and its expected life cycle.

From concept to creation, we're here to bring ideas to life. Interested in a custom design? Connect with our sales team at [sales@gomayne.com](mailto:sales@gomayne.com).

# COLOR SCHEME

---

Our standard line is made up of classic colors that will never go out of style. Outfit your space with these standard colors to create a timeless look or work with us to create a custom color to give your space a modern twist. Minimum order quantities are required for custom colors.

# MAYNE COMMERCIAL

---

Mayne Inc. is proud to serve the business community with high-end quality products perfect for your business. We've designed a line of planters, towel valets, waste bins, and mail posts ideal for outfitting your commercial property.

Whether you own a small shop or a large hotel, we have the right products to elevate your space.

Some of our key partnerships include:

## Hotels

Make your guests feel welcome by adding Mayne planters to your lobby or adding a Mayne towel valet to your pool area. Our standard color palette includes black, white, espresso and graphite grey. These classic neutral colors add a little something extra to your hotel all while matching your current aesthetic. Looking for a statement piece in a more adventurous color? Not a problem - Reach out to us and we can work together on creating something that is uniquely you!

## Homeowner Associations

We understand the importance and value of curb appeal. That's why we're thrilled to offer an extensive line of mail posts for your neighborhood. Mayne Mail Posts are proudly made in the US. Going for a classic look? Our Signature Plus Mail Post is a fantastic option. Looking for something more contemporary? Then our Manchester Mail Post might just be what you are looking for.

## Design Firms

We believe that products should not only be beautiful but also durable. Our planters are made from 100% high-grade polyethylene, making them lightweight and strong. Designers don't need to choose between style and sturdiness anymore - they can have both with Mayne products.
