

## *Directions:*

1. Slip shirt over head and front legs
  2. Lengthen shirt along back
  3. Wrap neck strap and fasten Velcro
  4. Secure rear Velcro straps
- for bathroom breaks, unfasten the rear Velcro straps and tuck forward - refasten rear straps when finished
  - if using to help secure diapers - simply pull shirt over diaper and secure rear straps.

*\*Consult a veterinarian before using for medical purposes  
Not intended for permanent or long term use*
