

## Waterless Bath™

**Waterless Bath** is formulated using naturally based **SMARTzyme™** technology and botanicals. It is the perfect cleaning solution in between your pet's baths. Spray your pet's coat and give it that just washed shine and fresh, clean smell. **Waterless Bath** also contains Aloe Vera which allows your pet's coat to feel silky and tangle free.

- No rinsing necessary, will not dry out coat
- Non-masking formula removes odors at their source
- Can be used continually to clean and maintain a soft, odorless coat
- Friendly to pets, people and the planet!

### Directions:

1. Spray animal from head to tail avoiding contact with eyes.
2. Massage into coat thoroughly.
3. Towel dry and brush.
4. For hard to remove odors or soil, saturate coat well.
5. Keep animal away from drafty cold areas until completely dry.

This product can be used for any age animal, however, it is recommended to contact a veterinarian prior to bathing a newborn. Body temperature must be maintained.

### Ingredients:

Water, naturally based enzymes, aloe vera, stabilizers.

Store below 120°F. Do not allow product to freeze.
