Sleep Smart

Innovation and design come together to offer a luxurious sleepover experience for your guest. Harnessing the latest patented Micro Pocket Spring technology, the mattress has over 400 individual pocket springs, topped with sumptuous fillings which adapt to the contours of your body for exceptional support and comfort. The J-Text™ spring base system provides a supportive sleeping platform for your mattress and the clever automatic leg mechanism makes this JAY-BE® folding bed easy to open and close in seconds. J-Text™ is made from PVC coated woven polyester, a specially engineered technical fabric designed to be stretch resistant

and offer long term durability. Suspended using high-tension springs, the J-Text™ sprung base system is extremely strong and independently tested and proven to perform as well as regular permanent beds. Standing on 360° castors for effortless maneuverability, this guest bed is ideal for unexpected sleepovers and regular visitors. For even more real bed comfort, it's headboard is the perfect resting place for your pillow. All JAY-BE® folding beds are made in the UK and come with a FREE lifetime frame guarantee for your complete quality assurance.
