HOSE

Non-marring; abrasion resistant

POWERFUL GENERAC OHV ENGINE WITH ELECTRIC START

One-touch push button start with auto choke provides easier starts

VERTICAL AXIAL CAM PUMP

Extended pump connections for easy set up

LITHIUM-ION BATTERY AND CHARGER INCLUDED

Battery will provide up to 50 starts

ON-BOARD DETERGENT TANK

For added convenience

NEVER-FLAT WHEELS

Easy transport on rugged terrain and up stairs

CLEANING TOOLS

POWERDIAL™ GUN

Allows you to easily adjust the pressure needed between four different tasks - car, wood, concrete and soap - at your fingertips

POWER BROOM*

Featuring 12" of surface coverage, Generac's Power Broom is equipped with high pressure nozzles to clean **4x faster** than standard nozzles.

Ideal for cleaning decks, patios, driveways and sidewalks.

(*Model 7143 only)

SOAP BLASTER*

Generac's high pressure Soap Blaster nozzle sprays soap **3x farther** than a standard nozzle tip to penetrate tough stains and improve cleaning results.

(*Model 7143 only)

A Tradition of Quality and Innovation

For over 50 years, Generac Power Systems has been a leader in innovative design and superior manufacturing. When it comes to developing products that are both durable and reliable, we stand head and shoulders above our competition. The result of our efforts can be seen across our many product offerings.

We design and build engine-driven power generation equipment, automatic transfer switches, control systems, air-cooled engines, power washers and water pumps.

Regardless of the product, our vertical integration allows us to control the quality, availability and flow of materials throughout the manufacturing process. And each product is factory tested prior to shipment. It is this ongoing commitment to quality and innovation that has made Generac a name that people have come to trust.
