

# BLIND MAKING OWNER'S MANUAL

## Fabric Content

100% Burlap

## Care and Use

Spot clean only with a damp cloth, air dry.  
Ensure fabric is completely dry before storing

## How to Build a Hunting Blind

Use zip ties, flexible wire or twine to secure blind making material to your blind structure, trees or bushes. We recommend placing multiple layers to add dimension to your blind and minimize shadow.

*Quick tip: Weave some natural material into your fabric to help your setup look more realistic*
