Gazelle™  
TENTS

We know the importance of spending time outside with the people you care about. We enjoy spur of the moment camping trips, watching our favorite artists at music festivals, or simply relaxing in our backyards with friends and family. We wanted to create a way to enjoy these special moments with less hassle. With our line of pop-up portable camping tents and gazebos, we offer options for instant outdoor protection from the sun, rain and bugs.

**FULLY-ASSEMBLED**

**HASSLE-FREE**

Keep it simple with Gazelle™ Tents and Gazebos. Our products feature a durable, yet lightweight, fiberglass frame that comes pre-assembled and fully connected to uniquely designed pop-up hubs, allowing you to set them up in seconds. We understand the need to spend less time dealing with complicated assembly and takedown and just enjoy what the outdoors has to offer. So, relax because Gazelle™ has you covered.

# PORTABLE HUB TENTS

Whether you're looking for a family tent, somewhere to sleep at your next festival, or a rugged shelter for your next expedition, Gazelle™ has you covered. Our portable camping hub tents come pre-assembled, making it one of the fastest set ups in the instant tent category. 90 seconds is all it takes to go from bag to fully assembled tent with takedown being just as simple. Gazelle™ Hub Tents provide you more time to spend with friends and family and do the things you went camping for in the first place.

# HUB TENTS

The T3 was designed to easily accommodate three people with a spacious and comfortable interior that provides plenty of room for extra gear. At its collapsed size the T3 is only 55" long – allowing it to easily fit in the backseat or trunk of most vehicles. The T3 tent is resistant to water, wind, and mildew and features a 50+ UV rated material that will protect you from the elements. You won't waste any time with this tent because it sets up and takes down in under 90 seconds. The T3 is the perfect tent whether you're going to your favorite location or setting up a clubhouse in the backyard for your kids.

# HUB TENTS

Our most popular tent, the T4, is the ultimate pop-up camping tent. This tent spaciouly provides 61 square feet of floor space and stands 78" tall – sleeping four people with spare space for your gear. Other tents are tricky to assemble and built with flimsy components. The T4 comes fully-assembled and sets up and takes down in under 90 seconds. This tent is resistant to water, wind, and mildew and features a 50+ UV rated material that will protect you from the elements. Whether you're camping or going to an outdoor event nothing beats the T4 Gazelle™ Hub Tent.

# HUB TENTS

This versatile hub tent expands upon the innovation of our line of camping tents by adding a screened-in, convertible second room. This provides an added leisure area with cover from insects and the elements, but quickly converts into a second sleeping space when desired. An oversized rain fly easily attaches to the roof panels for extra protection. So, whether you're looking for extra space to store your gear, more room for the family, or just an area to beat the elements the T4 Plus has you covered.
