

Limited Warranty

ONE (1) YEAR LIMITED WARRANTY (NON-TRANSFERABLE)

This product is covered under Leigh Country's one (1) year limited warranty and is valid within the continental United States. To the original purchaser of this piece of furniture, cooler, or accessory, Leigh Country warrants that it will be free from defects in material and workmanship for up to one year from the date of purchase under normal use and proper care.

Replacement of defective or missing parts will be sent at no charge to the customer for a period of 30 days from the date of purchase. After 30 days from purchase, freight, packaging, labor, or material charges to and from our customer service center will no longer be covered under the warranty and become the customer's responsibility. Please allow seven to ten business days for us to process and ship parts and/or hardware requests. In the event that we do not have a product part or hardware in stock, we will advise you of this and let you know the estimated ETA for restocking.

The limited warranty does not cover this piece of furniture, cooler or accessory for commercial purposes, abusive use, damage by modification, freeze damage, rust, fading and issues caused by improper care.

For minor defects, damaged or missing parts/hardware, please contact customer service immediately upon purchase. Leigh Country provides an internal customer service department that can solve issues such as replacing damaged or missing parts, sending assembly and care instructions, and answering product questions. This information is written on every box and instruction manual.

If the customer still wishes to return the item, it will be considered a customer error, and the partner accepts shipping charges back to the Leigh Country warehouse, with a 20% re-stocking fee. An RMA must be acquired from Leigh Country and RMA numbers must be on all return documentation, such as shipping labels or packing slips. This is so we can process returns correctly and quickly.

Please do not return products to the retailer or our warehouse unless the product is irreparable. A customer service agent may help determine whether the damage is repairable and will provide further instructions. Proof of purchase (dated register receipt) will be required for warranty claims.

The use of power tools during assembly may void this warranty.

Customer Service may be reached Monday through Friday from 9:00a.m. to 5:00p.m. CST.
