

Support Feet for 360° Configurable Gate Collection

ITEM #: 33401 / 33402

Please read this instruction manual carefully before assembling or using this product, and keep for future reference. Thank you for choosing Primetime Petz Support Feet for the 360° Configurable Gate Collection. For dogs that push against gates, add these sturdy support feet to provide extra stability and prevent tipping. Made of solid pine.

FEATURES:

This product may be used with the following products:

- 360° Configurable Gate wit Door 24"
- 360° Configurable Gate wit Door 30"
- 360° Configurable Gate wit Door 36"
- 360° Extension Kit 24"
- 360° Extension Kit 30"
- 360° Extension Kit 36"

DIMENSIONS/WEIGHT:

Item Dimensions: 12" X .75" X 3.625"

Item Weight: 0.5 lbs.

MATERIALS:

Foot: Wood
Pads: Rubber

PARTS/SPECIFICATIONS:

One pair of Support Feet (2 pieces); minimal assembly required.

Additional set of rubber pads in case damage occurs during installation.

MANUFACTURER'S RECOMMENDATIONS:

We recommend applying additional anti-chew bitters serum to your gate and support feet on a regular basis especially if your pet is still a puppy.

PROVISIONS:

Support Feet increase gate/extension support and stability but are not guaranteed to prevent animals from jumping on gate/extension and tipping it over.

CARE INSTRUCTIONS:

Clean with a soft, dry cloth. Do not use benzine, thinner, wood polish, or any abrasive powder.

ASSEMBLY:

To attach foot to gate or extension, slide foot downwards, groove-side down, between the two centermost posts in the panel. Press down firmly until the foot makes even contact with the floor. Repeat for 2nd foot.

PLEASE NOTE: FIT WILL BE VERY TIGHT ON THE 360° Configurable Gate with Door 36" AND 360° Extension Kit 36". THIS IS EXPECTED.
