Habitat 'n Home™ Aspen™ Bunk Beds. Got 2 pets? Big? Small? One of each? Here's the answer that saves you a lot of space. The Aspen Bunk Beds provide luxurious sleeping space for 2 pets taking up the space of a single bed. Two 3.5" mattresses are included for an extra layer of comfort. Covers on the mattresses can be removed, washed and easily reassembled. Made using ECOFLEX®, a composite blend of recycled polymers and reclaimed post-industrial poplar waste and by products. ECOFLEX based products outlast similar products by 2 to 1 or even 3 to 1 in extreme climates. ECOFLEX products don't warp or splinter and can be painted or stained. Easy 20 minute - no tool - assembly. Since they are AllProof™, they are resistant to any and all natural causes of deterioration. No maintenance other than regular cleaning required.
