## 59" Overhead Fan

The SD5X fan is perfect for mid-size to large areas that need huge, even airflow. With a totally-enclosed 1.5 HP TEFC motor, it gets the job done and will for many years to come. The SD5X is easy to install and maintain, just plug and play. Hang at least 10' from the floor, and at least 3' from the ceiling. A great value for the performance and durability.
