

## **INSTRUCTIONS**

Gumout High Mile Fuel Injection Cleaner

Model# 510013

**Specially formulated for vehicles over 75,000 miles.**

Add entire bottle to nearly empty gasoline tank, then fill tank with up to 21 gallons of gasoline.

For best results, do not refill tank until near empty.

Use every 3,000 miles.

Oxygen sensor safe. Safe for use in turbocharged and supercharged vehicles. Will not void OEM/manufacture's warranty.
