TOW-BEHIND MOWER

- 18.5 HP Generac G-Force engine.
- Mowing capabilities of up to 2 acres (0.81 ha) per hour.*
- Towable with most vehicles, including ATV, UTV, or tractor.
- Wide 44" Mowing Path.
- Tool-free height adjustment.

POWERED BY
GENERAC
G-FORCE

*Varies with conditions.

FEATURES

- **Generac G-Force Engine:** Powerful, easy starting engines make our tow-behind mower the natural choice for any task, and are designed for long life.
- **Floating Deck:** Assists in accommodating high points, minimizes scalping, and protects the drivetrain from damage.
- **Tool-Free Height Adjustment:** Quickly adjust mowing height from 4.0–7.5 in (10.2–19.1 cm) with two easy turning hand cranks.
- **Pivoting Blades:** Help absorb impact when hitting an immovable object, to protect the mower's blade, spindle, and engine.
- **Remote Control:** Engage and disengage the mower from the driver's seat of the towing vehicle.
- **Chain Debris Guard:** Designed to help stop material from flying forward.
- **Wide Mowing Path:** Offset frame design mows outside of track width with a wide 44 in (112 cm) mowing deck, making easy work of mowing along foundations, fence lines, and other obstacles with precise control.
- **Big Appetite to Mow and Mulch:** A 2.75 in (6.99 cm) thick steel frame acts as a brush bar, pushing over saplings, brambles, and other vegetation before feeding it under the deck where it is then efficiently mulched and left behind.
- **Offset Mowing:** 2-piece tow bar offsets the mowing deck to the left or right, allowing for mowing right behind the tow vehicle.

TOW-BEHIND MOWER

MODEL: TB25044GENG

UPC: 843530005813
