Snow Joe + Sun Joe CERTIFIED AUTHENTIC 24VCHRG-QC IONMAX Quick Charge Dock for iBAT24 and 24VBAT Series Batteries

PLUG IN POWER UP! Boost your battery in less time with the 24VCHRG-QC 24-Volt Quick Charger from SNOW JOE® + SUN JOE®. Designed to work exclusively with SNOW JOE's IONMAX 24-Volt lithium-ion batteries, 24VCHRG-QC powers up your rechargeable IONMAX batteries (and EcoSharp® iBAT24 batteries) in as little as 30 minutes! Take command of your cordless power tools and get back to your task in less time. Or better yet, buy a second battery for unlimited runtime, so one is always ready to work while the other charges up! Equipped with thermal, over-voltage, and over-current circuit protection, 24VCHRG-QC safely charges and recharges your IONMAX battery without any risk of battery pack damage. SNOW JOE'S iON battery and charger system provide eco-friendly means to safely and reliably power up your 24-volt cordless yard garden tools.
