

3-In-1 Multi-Use Storage Shed

Keep everything organized in one place with this convenient 3-in-1 Multi-Use Storage Shed by Hanover. Our 3-in-1 marvel includes lockable storage, firewood storage, and an open extension to use as you see fit.

Strong and durable, this stylish shed is constructed with powder-coated, galvanized steel which is resistant to rust, corrosion, and UV rays. The apex roof design allows efficient water runoff and is tall enough for an adult to stand and walk around with ease.

Sliding double-doors open fully to allow easy access and the door handles have padlock eyes to accommodate most combination or keyed locks (padlock not included). Plus, the connected woodshed provides the ideal location to season and store your firewood, holding up to 42 cubic feet of stack firewood.

Features

- 3-in-1 multi-purpose shed with lockable storage, firewood storage, and an open extension
- 4 vents (2 on the top front and 2 on the top back) provide adequate airflow
- Raised metal base keeps the shed stable and the firewood off the ground
- 2-person assembly required - instructions and hardware included
- NOTE: Concrete slab or treated timber foundation is strongly recommended
