**IMPORTANT - Please Read:**

Thank you for purchasing this Apollo Tools product. Our hand tools and cases carry a full lifetime replacement guarantee for non-commercial use. Our power tools carry a one-year limited warranty. **Call toll-free 866-591-4749** and talk to our friendly US-based customer service so that we can immediately address any concerns.

Apollo Tools' hand tools and power tools are constructed of the finest quality components and designed for the home repair enthusiast. Tools are constructed of 45C carbon steel or chrome vanadium steel and heat-treated where appropriate. Tool handles are made of double-dipped plastics, and tool cases are made of extra heavy-duty materials. Each tool is tested against industry standards for hardness, torque, finish, and usability and should last a lifetime under normal use.

**WE ENJOY HEARING FROM YOU ★★★★★**

Since 2001, Apollo Tools has remained one of the most trusted brands for homeowner tool kits and mechanic sets. If you are thrilled with your purchase, tell us by writing a review on the website where you purchased it. Your review and opinion matter! Thank you. If you are not fully satisfied, give us a chance to make things right with a toll-free call to our outstanding US-based customer service team: 866-591-4749. In the U.S. and Canada, our hand tools carry a lifetime warranty and our power tools carry a one-year warranty. Register your product warranty at [apollotools.com](http://apollotools.com)

**WARNINGS:**

Always wear eye protection which meets current ANSI standard z87.1. Keep sharp objects out of reach of children. Never touch cutting surfaces or edges. Never bend blades on knives. Do not use screwdrivers to pry. Soft grip handles are for comfort only and do not protect against electric shock. Always disconnect power sources before using any tool on electrical boxes, fittings, wiring or other items that may conduct electricity. Utility knife is not insulated. Do not allow tape to rewind at full speed as damage may occur. Failure to heed all safety warnings could result in bodily injury or death.
