## 5-IN-1 UTILITY TRAILER

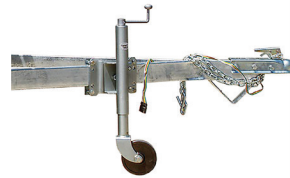

### DESCRIPTION

The new addition to the DK2 trailer line up is the Hot Dipped Galvanized 5x7 Utility Trailer. Constructed from 100% steel all the components are reinforced, adjustable, removable or interchangeable. The MMT5X7G-DUG is fully welded and hot dipped galvanized to protect the steel from the elements especially in coastal regions. This unit offers the end user excellent value for their money and will dramatically add to the life of the trailer kit. Each trailer ships in a single carton including pre wired LED lighting for easy installation.
