

The Industry's First A.I. Programmable SMART Air Compressor

- Pressure-lubricated pump with oil pressure gauge
- Lifetime Pump Warranty*
- Equipped with patented Whisper Unit for ultra-quiet operation
- Variable speed operation provides significant savings in energy consumption
- Simple to operate programmable logic controller allows you to schedule parameters such as hours of operation, days of operation and min/max pressure range. With our new wi-fi functionality, you can even Start/Stop the Compressor remotely, from your computer, tablet or smartphone
- PLC provides maintenance alert reminders to change oil and filters
- Digitally displays pump oil pressure & tank pressure
- Receive preventative failure notifications and/or failure code with diagnostics
- Built-in logic calculates, displays & records energy savings in USD (\$)
- PLC displays running HP, running AMPs, voltage and much more.

90% Start Up Energy Savings

	EPV05V080I3	EPV07V080V13	EPV10V080V13
Running HP	5	7.5	10
CFM @100 PSI	Pending	31	38
Max PSI	175	175	175
Pump Model	APP2I0524TP	APP4V1043TP	APP2I0524TP
Pump Running RPM	Variable 275-800	Variable 275-800	Variable 275-800
Motor RPM	1750	1750	1750
DBA AVG Rating	Pending	63	Pending
Running AMPs	Pending	10-20.7	Pending
Dual Control	Yes	Yes	Yes
Low Oil Shutdown	Yes	Yes	Yes
VSD SMART Technology	Yes	Yes	Yes
Wi-Fi Functionality	Yes	Yes	Yes

* Lifetime pump warranty is only valid with twice-annual purchase of service kit
