GENERAL SAFETY RULES

WARNING: Read and understand all instructions. Failure to follow all instructions listed below may result in serious injury.

CAUTION: Do not allow persons to operate or assemble this drag mat until they have read this manual and have developed a thorough understanding of how the drag mat works.

WARNING: The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions or situations that could occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

SAVE THESE INSTRUCTIONS

WORK AREA

- **Keep work area clean**, free of clutter and well lit. Cluttered and dark work areas can cause accidents.
- **Keep children and bystanders** away while operating the drag mat..
- **Be aware of all power lines, electrical circuits**, water pipes and other mechanical hazards in your work area, particularly those hazards below the work surface hidden from the operator's view that may be unintentionally contacted and may cause personal harm or property damage.
- **Be alert of your surroundings.**

PERSONAL SAFETY

- **Stay alert**, watch what you are doing and use common sense when using a drag mat.
- **Dress properly.** Do not wear loose clothing, dangling objects, or jewelry. Keep your hair, clothing and gloves away from moving parts.
- **Use safety apparel and equipment.** This applies to all persons in the work area. Use safety glasses, non-skid safety shoes, hardhat, gloves, dust collection systems, and hearing protection when needed.

DRAG MAT USE AND CARE

- **Do not modify the drag mat in any way.** Unauthorized modification may impair the function and/or safety and could affect the life of the equipment. There are specific applications for which the drag mat was designed.
- **Always check for damaged or worn out parts before using the drag mat.** Broken parts will affect the drag mat operation. Replace or repair damaged or worn parts immediately.
- **Store idle drag mat.** When the drag mat is not in use, store it in a secure place out of the reach of children. Inspect it for good working condition prior to storage and before re-use.

MAINTENANCE

- **Maintain your drag mat.** It is recommended that the general condition of any drag mat be examined before it is used. Keep your drag mat in good repair by adopting a program of conscientious repair and maintenance.

ASSEMBLY

Step #1:
Remove contents from box.

Step #2:
Attach the end of the pole to the center of the mat using M8x35 mm nut and bolt.
