

Van Zyverden's
KNIPHOFIA RED HOT POKER MIXTURE

Red Hot Poker produces striking bold colored flowers atop tall stems. Perennial gardeners often use them as big focal points in the garden. Easy to grow and a great choice for a beginner gardener. A tremendous favorite of hummingbirds and butterflies alike and thus an excellent exotic pollinator choice. Sword-shaped, semi-evergreen, green coarse leaves. Easy to grow tough plants.

upright clump-forming perennial

About This Variety: This unique and exclusive mixture consists of five unique varieties; Alcazar Red, Banana Gummy, Cotton Candy, Slush Puppy and Uvaria, which are perfectly blended for a stunning picture perfect display. A stunning garden accent planting.

Growing Instructions: Grows fine in average, medium moisture, well drained soils in full sun but intolerant of wet soils. Locate in areas protected from the wind. Remove spent flower spikes.

Care Tip: Once established do not move the plant. After flowering they are not much to look at, so cut down the stalk and the foliage by about 50%, and it's sure to return next season.

Exposure: full sun

Height: grows 24-60" tall

Spacing: plant 12-36" apart, 2-3" deep

USDA Zones: hardy in USDA zones 6-9

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
