

Tame the Great Outdoors ®

Chipper Shredder

MAX Performance. MAX Value. MAX Support.

Chipper Shredder

The efficient self-feeding system easily turns branches and other yard debris into mulch, compost or wood chips, without extra prep or pruning.

FEATURES & BENEFITS

- Durable and easy-to-use, sufficiently handles branches up to 3" in diameter — saving valuable time and hassle.
- Spacious, self-feeding chute designed to handle longer branches with ease.
- Briggs & Stratton engine provides 9.50 ft-lbs of torque while delivering cleaner, more fuel-efficient results.
- Solid steel casings provide the durable parts necessary to handle rugged jobs, time and again.
- Simple maintenance through easily accessible chipper blades.
- Pneumatic wheels offer convenient mobility across any terrain.
